GO DIGITAL! VIDEO WORKSHOP IS AVAILABLE JANUARY 6-10, 2020

Due to demand, the GO DIGITAL! video workshop will be relaunched January 6th - January 10th, 2020. If you missed your chance the first go around, here is one more opportunity to find out what it takes to bring your business into an all-digital format. Included in the registration for this workshop will be a PDF Guidebook with step by step information on exactly how to GO DIGITAL.

Your files are getting older, harder to read, and you have to drive to your cemetery anytime someone calls to check their arrangements. NOT ANYMORE! Register now to join the GCA for the **GO DIGITAL** workshop to learn how to preserve your files, make more efficient sales, and create digital documents that will take stress off of you and your staff.

This 2 hour workshop will be open all week from January 6 - January 10, 2020.

We are going to *roll up our sleeves* and *get to work* learning how to streamline clerical processes and give you instant access to your records wherever you are. Don't miss out on this opportunity!

Please fill out the attached registration form **or** for more information, please e-mail GeorgiaCemeteryAssoc@msn.com
